ETHICS AND CONFIDENTIALITY ACKNOWLEDGEMENT FORM

The undersigned acknowledges the following to both Citizens Property Insurance Corporation, Florida ("Citizens") and to the Vendor.

1. **VENDOR RELATIONSHIP:** I am currently an employee or sub-contractor of the Vendor identified below, and I am not an employee of Citizens. "Vendor" means any independent firm, claims administration firm, or other claim service provider that has a contract or agreement with Citizens, and of which I am an employee or sub-contractor. If I become an employee or sub-contractor for a different Vendor, this acknowledgement also applies to me as an employee or sub-contractor of that Vendor. I am signing this form at the direction of the Vendor, pursuant to a Citizens requirement.
2. **CODE OF ETHICS:** I understand that, by my relationship with Vendor, among other restrictions, I cannot:
 - 2.1 Give a gift to a Citizens' employee or member of Citizens' Board of Governors ("Board") unless they are my relative* and the relationship has been disclosed on this form;
 - 2.2 Accept a gift from a Citizens' policyholder that is, or could be interpreted to be, intended to influence my handling of a specific claim or issue, or could be interpreted as an expression of gratitude for such an act;
 - 2.3 Have a personal or financial relationship with a current Citizens employee, current or former board member or former Citizens senior manager that creates a conflict of interest; or
 - 2.4 Have any business interest that creates a conflict of interest.

A **conflict of interest** is created when there is a situation in which a person has competing professional or personal interests which make it difficult to properly discharge their duties impartially or which lead to a disregard of a public or corporate duty. Most commonly, in regard to vendors and their employees/ sub-contractors a conflict of interest **may** be created if: (A) you share an interest in a business or have a contractual relationship with any Citizens employee or Board member; (B) if you have a financial interest in any other business that provides services to policyholders related to property insurance claims; (C) if you are a relative* of a Citizens employee or Board member; (D) if you are, or employ, a Citizens employee or Board member or their close family members (father, mother, son, daughter, husband, wife, brother, sister, father-in-law, mother-in-law, son-in-law, or daughter-in-law); (E) if you are, or employ, a former Citizens senior manager or Board member; or (F) if your business is owned in any part by a current Citizens employee, current or former Board member or former Citizens senior manager.

Is there a potential for a conflict of interest as described above? If yes, please explain.	
<input type="radio"/> Yes <input type="radio"/> No	

Citizens will work with Vendor and Vendor's employee to establish work practices to avoid a conflict where business or familial relationships might otherwise cause a conflict but Citizens cannot guarantee that conflicts can be avoided in every circumstance
